I did play as a child with this glass ball / prism. That was very very beautiful. I remember this, because this was so beautiful. To hold this into the sun and to see the spectrum with all colors is very beautiful. I played with this glass, and looked at the sun rays in all colors.</p> <p>I did talk to my mother waltraud helbok as child, that i want have glass animals. German: "Ich will glasfiguren und glastiere haben.".</p> <p>I knew, that it would be beautiful to make or have animals and figures similar than this glass prism and ball, that I played with. child.

This is not from an employee at swarovski, that made this. This has been stole from me. As I worked with my company for the illegal acting company swarovski, the company swarovski told me this lie.

This is now a billion dollar business, that swarovski stole too with the persons and the corrupt austrian state.

I request the complete revenue from Swarovski. The company Swarovski stole this from me with the Austrian state.

**I request the complete revenue of the products, and 80% shares on this division now.**
