of energy drinks and the global sales from the asian market comes from me and has been stolen by the company and person that founded Red Bull with the Thailand person. This has been stolen from me.

I talked to Lindebner Gerhard about this, and this has too been stolen from me. His father had a restaurant and possibly they talked to others too.

Furthermore the marketing strategy to create red bull cola and to create cola comes from me and has been stolen by Red Bull. Furthermore to create mobiles comes from me and has been stolen from Red Bull. The complete company comes from me and has been stolen from me.

I did too already accuse this company because of this stealing.

The chief or Red Bull wants get Head of Formula 1. I did say this, and this has been stolen from me by Red Bull and the corrupt Austrian State. This will never occur. Red Bull has been stolen from my company already.

That you create a cola is from me and stolen from you. To create sports events is from me and stolen from me by your company.
