The case, where you did steal my company data is the following:
This company comes from me, and has been stolen from me. The exact message length of the twitter messages come from me and has been too stolen from my company.
This has been done by your coutry companies and the following Investor:

<http://everything-pr.com/saudi-prince-almwaleed-snaps-up-300-mil-stake-in-twitter/231738/>

The investment of 300 Mil USD into witter has been stolen from me.
Furthermore the exact percentage has too been stolen from me, as I did calculate as decision maker a fair offer and share rate.
The exact sum of the investment has been stolen from me by you. This is exactly the sum from me. The investment has illegally made by Prince Alwaleed bin Talal. I accuse the Prince Alwaleed bin Talal because of stealing this investment from me.
I did say, that he would invest, He did invest, and this has been stolen from me. I too mentioned his name. The exact amount of the invesment shares has been stolen from my company, and too the time, when he did invest including the investors name.

I request a penalty of the complete investment sum = 300 Mil EUR * 2 from the Investor.
I request the sum of the complete expected profit from the Investor. I request too the
