I bring to court as decision maker the next mobbing actions by a group of about 8-10 persons in the irish pub Ottakringer strasse 19 / 2 against my company. These persons have are involved into the reputation damage and mobbing by the austrian police and the austrian state and the courts itself. Furthermore these persons know details about stolen data of my company including fraud with business software against my company. I request a penalty of 150.000 EUR from these persons because of being involved into mobbing, reputation damage against my company together with the austrian state and stealing and the break ins into my company office. The companies, where these persons work, are illgealty involved too. A photo exists from all persons. This includes too the break ins during this week into my company office. The exact time was about 22:30 – 23:30.

My company as decision maker is now in additional adding publishing this to this document only:

As the austrian state is damaging my reputation

again, i request a penalty of 10 Mil EUR

from the austrian state. In additional I request a penalty of 50 Mil EUR because of reputation damage, corruption and stealing of data and technology from my company.

This is part of the antrag of verfahrenshilfe now.

Hermann Helbok.
